### To the Class of 1984:

The past four years of our high school career have been ones that few of us will forget. They have given us new insights to our future and provided us with a much needed education. In this book, as in the past, we have tried to give you just a few of the many "Memories" you have encountered throughout the years. As freshmen, the new atmosphere of the high school was indimidating and even a little frightening. But as our sophomore year approached, the confidence of "fitting-in" began to develop. As our junior year came about, we learned the many privileges of being in the "upper-class". Free admission to sporting events, instrumental positions in several organizations, and planning for our future, soon became major priorities to many. A serious approach to school was a short fad at that time, but it soon died as the end of the year approached. Finally, the year that we all never thought would come upon us. We were SENIORS! It's hard to believe that time flew so fast in such a short span, but we were forced to face the reality of ending our high school career. Many took routes of higher education, others chose to enter the job market, while still others entered technical training. We were now destined to enter that group known as "alumni."

Few of us realized that this time would speed by so quickly, and the end to our seemingly never-ending fun was near. However, all of us knew in the back of our minds that our future and the real world was waiting for us after graduation.

It has been a privilege to we, the senior editors, to serve as photographers, business managers, junior-editors, and, finally, senior editors in our past four years. It has been a time-consuming task with many hours of work put into the production of this book, as well as in the books of the past. For all those who have assisted us and taught us, we would like to say "Thank-you."

We have tried to incorporate new thoughts, ideas, and styles into this book to make it a memorable item to you, the owner. We hope you enjoy the book of "Memories," and we thank you, The Class of 1984, for four years of enjoyable experiences. Our high school years are something we will always cherish, and we hope you do to.

Thanks for the Memories,

Daniel J. Pawlos

**ON THE RIGHT TRACK**

This year, Homecoming was once again filled with fun and festivities which made the week like none other throughout the school year. The Student Council was the coordinator for the week of events which included Color Day, Penny and Indian Day, Punk and Fifties Day, Hat Day, and Purple and Gold Day. There were also several competitive events which rose spirit and pride of the students and helped promote pep for the game which followed.

Friday night Pec was beaten in a game played under lousy conditions. The Indians did play with pride, however, and what more could we ask.

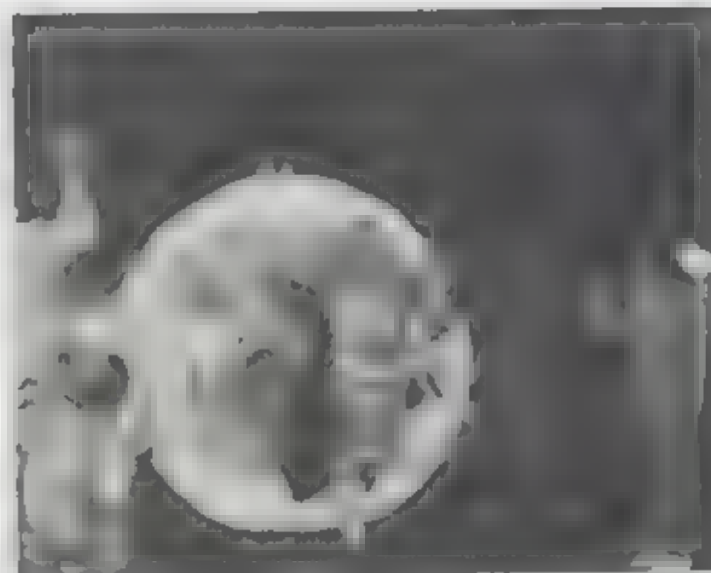

On the Saturday night that followed, the Homecoming Dance was held. Svein Gronseth and Chris Reichensperger presided over the ceremonies as King and Queen and the entertainment was provided by the R.J.'s. As the night came to an end, all had to agree that the year is complete "So Long as There's Homecoming."

To The Members of the Class of 1984:

Congratulations on successfully meeting the requirements for graduation from Pecatonica High School. You have acquired the academic background during your years in school to go forward with your future plans. It is now up to you to use what you have learned and to build upon your background to make your plans a reality. We hope that your future will hold both challenge and happiness. As you leave Pecatonica High School to pursue your future, our best wishes accompany you. You are graduates of Pecatonica High School and we are proud of you!

Mr. Terry L. Bowers  
Principal

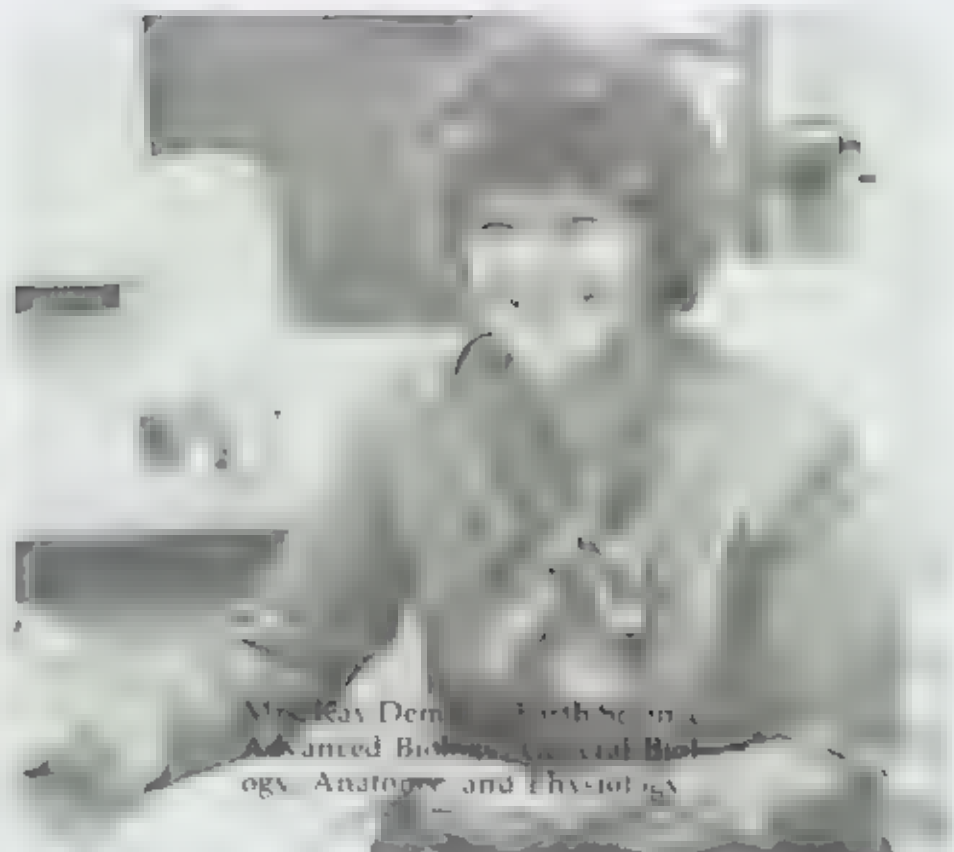

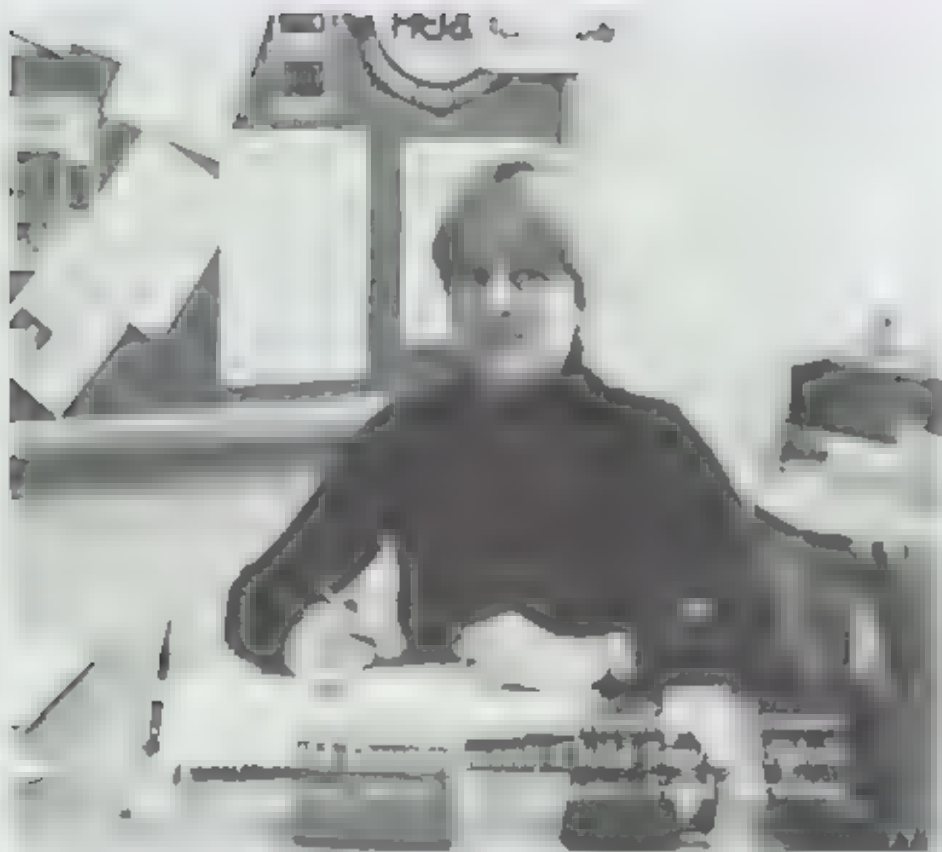

To the Class of 1984:

Again, we have a graduating class of which Pecatonica can be proud. As your goals change and your sights are raised, just remember that Webster's dictionary says a "prodger" is "that which incites as to activity". A prodger may appear in many forms — a set of circumstances or a particular person — and often we are not aware of the prodding. Many successes in the world can be traced to a "prodger" somewhere along the line.

I trust you have had "prodders" at Pecatonica High School and that you have responded. There will be many "prodders" in your future. What your response will be will have an affect on your future. I wish you the best!

# National Honor Society

The National Honor Society is surely one of the most prestigious clubs the school offers. It is made up of the top academic students in the Sophomore, Junior, and Senior classes. Sophomores must maintain a 3.50 grade point average, while Juniors and Seniors must maintain a 3.25 grade point average throughout the year.

As in years past, the club held its banquet at the Methodist Church. The invitation of new members to carry on academic excellence, as well as a potluck dinner were included in the ceremonies. Money makers, to finance the banquet and a new scholarship fund established for club members, were the selling of jackets and Gummi Bears. The members know that it is an honor to belong to such a club and hope to see it prosper in its endeavors in the future.

Student Council this year consisted of 4 seniors, 3 juniors, 2 sophomores, and 2 freshmen. The advisor was again Mrs. Olloff. They sponsored a dance early in the year and planned the days of Homecoming Week. The days were Monday as color day, Tuesday as penny and Indian day, Wednesday as punk and 50's day, Thursday as hat day, and Friday as purple and gold day. They sold wrapping paper as a fundraiser, sponsored a pizza party for all honor roll and perfect attendance students, and held a March Madness week which was similar to Homecoming week. Everything Student Council did went really well and was helped a lot by Mrs. Olloff.

The Spanish Club was a smaller club than previous years. The students in the club must have been in a spanish class for the year. All participated in the activities that the officers and Mrs. Mucha had planned for the year.

The club took a trip to Woodfield Mall near Schaumburg, Il. After shopping the students ate a delicious Mexican dinner at El Torito restaurant near the mall.

This year, the Spanish II class presented plays in front of the young students at the grade school. First year took their turn at translating commercials into spanish, and then performing these commercials in front of their classmates. These performances were videotaped and then shown to the other first and second year classes.

# Academic Bowl

Pecatonica, for the first time, participated in two academic bowls. The first one, the Mid-Northern Academic Bowl, which began in 1980, was sponsored by Byron High School. Only seniors participated and in 1983, Pec did the best yet and finished second.

The Northern Illinois Academic Bowl was sponsored by Winnebago, Byron, and Stillman Valley High Schools and was held at Winnebago High School. This was the first year for this particular academic bowl. Juniors and seniors participated and the team that represented Pec is pictured above. Pecatonica didn't finish but we intend to come back next year and do well.

# Foreign Exchange

## Svein Gronseth

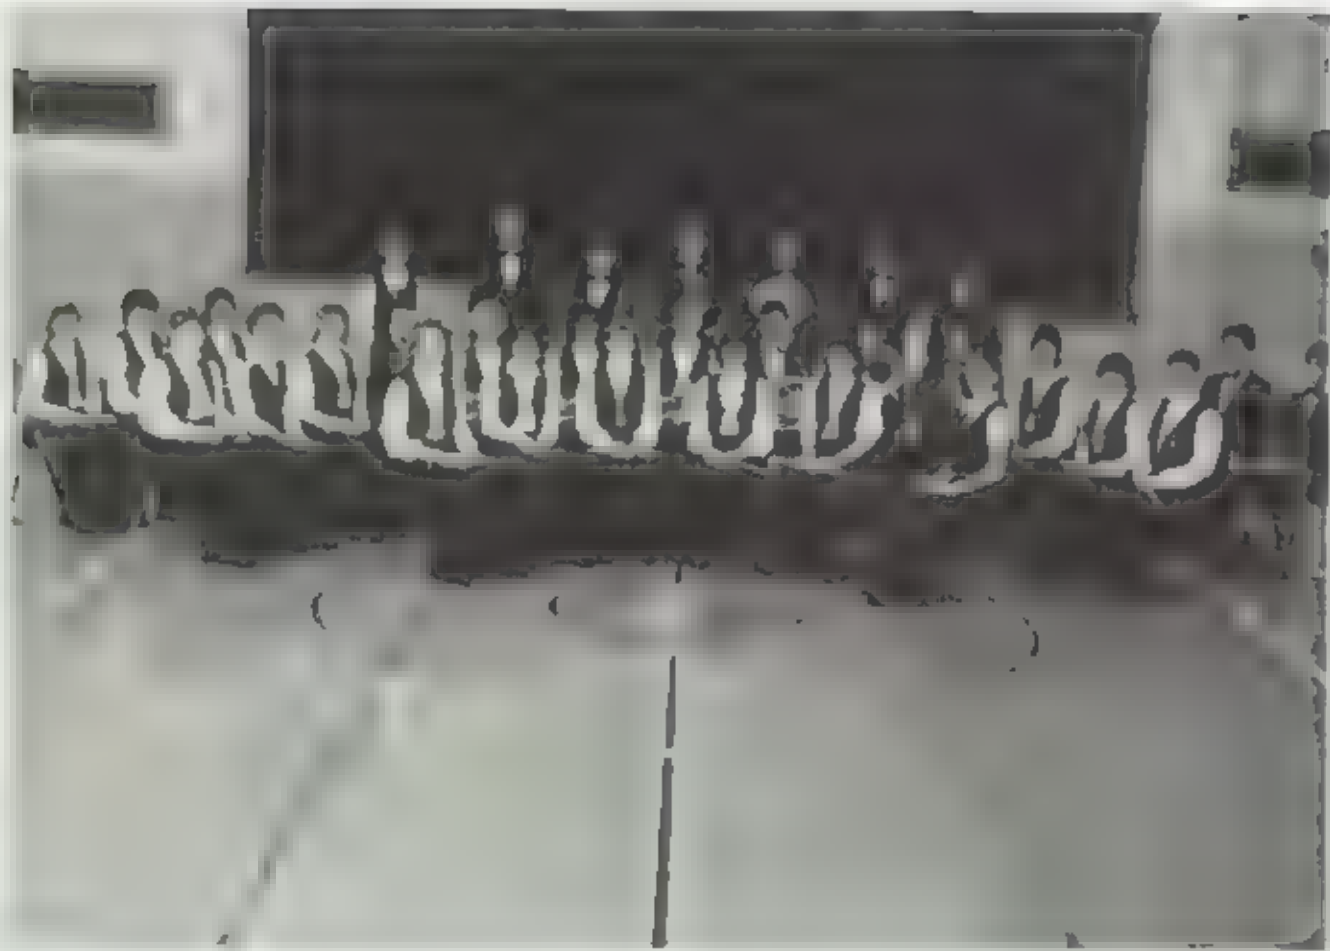

Svein Gronseth, this year's Foreign Exchange Student from Christiensen, Norway, was a "DUDE" that few will forget. Svein was a multi-talented student who enjoyed sports, music and many of our American traditions which were new to him. He was always open to suggestion and was friends with all. We sincerely hope he enjoyed his stay. One thing we would like to say and leave him with is this, "Take it easy big guy!"

The Pecatonica High School Band completed its third year under director Bill Miller, and was quite successful. The year was filled with many memorable moments and was enjoyed by most everyone.

The band participated in contests at Wauconda and Oregon during the year and earned many firsts and seconds at the solo and ensemble contest. The band received a Division II rating at a disputed organizational contest. The band again this year joined the chorus in the annual fruit sales for the music department. Despite slipping from 2nd to 7th in the state, the music department enjoyed another successful year.

It was difficult to learn at the end of the year that Mr. Miller would not be back, as he is taking a teaching position in the Naperville School system. Everyone would like to wish him good luck in the future and thank him for the touch of excellence he brought us in his three years.

# Chorus

The P.H.S. mixed chorus had another eventful year. It began with preparation for District VIII IMEA Music Festival held in DeKalb. Four upper classmen were chosen after audition and 9 Freshmen participated.

In January, half the chorus participated in the Mid-Northern Conference Music Festival at Solo.

I.H.S.A. Contest was another exciting year. Solo and Ensemble Contest was held at Waconda High School with 32 vocal events. Organizational Contest was held at Oregon with Mixed Chorus, Boys Chorus and Girls Chorus all receiving Division I Ratings. This year P.H.S. was ranked 7th in the state in class C schools.

# Swing Choir

Although the Swing Choir was rather inactive this year, they did participate in contest and perform at the pre-contest concert. The members were also the main "hit paraders" in the Spring Jazz Concert production of "BROADWAY". Much fun and enjoyment was shared by the group in the brief, busy time they spent together.

First Row L. to R. Dan Pawlus, Cathy Pawlus, T.J. Meyer, Kim Clark, Terri Cambier, Kelly Speers. Second Row L. to R. Todd Bauch, Juli Hayes, Joy Mueller, Curt Clark. Top L. to R. Susan Hendrickson, Christine Bauch

# Madrigals

Madrigal was less active this year than in years past, but they did also manage to group together for contest and perform respectively. The group was made up of mostly Seniors who have enjoyed participation in years past. It is our hope that both Swing Choir and Madrigal carry on in the future.

First Row L. to R. Terri Cambier, Juli Hayes, Carla Rockey, Cathy Pawlus. Second Row L. to R. Terri Dirksen, Daniel Pawlus, Joy Mueller. Third Row L. to R. Gordon Kloster, Todd Bauch, Curt Clark, Steve Chiodini

# Jazz Band

## JAZZ BAND

As the picture proves (car courtesy of Joe Moth), the Jazz Band had a pretty fun and laid-back year.

The band performed under direction of Bill Miller at two annual Jazz Concerts and also at a windy Harvest Days Celebration downtown and at the Barber Shop Quartet Show in early spring.

Although the Jazz Band has to put extra work in during the early morning hours, most members will say it is worth it, as the music played is more popular than the usual selections for concert band, and the players can be "looser" during a performance. Besides the changes in uniform, a Jazz Band performer can sway a little bit and "feel" the music more than in concert band, where total concentration is needed. Good performances enhanced by a general "feeling of fun" leads to some very good times at P.H.S.

# Pit Band

## PIT BAND

The annual spring musical was held April 6th and 7th, and while the performers were practicing the music and learning the lines, the pit band was hard at work learning the music for the show.

Despite having to practice music for contest during the day, the members of the pit put in 6 hours a week practice at night for the month before, and every night the week of the performance.

Through sore jaws, aching fingers, and numb lips, the pit performed for both shows admirable and helped the on stage performers carry off a decent show. This music is challenging to the players and proved to be very good learning experiences for all those involved.

"Guy's and Doll's", a musical about bigtime gambler's who become lovable characters, was the annual spring musical for 1984.

The production, directed by John Webb of Highland Community College, was worked up in a brief 21 rehearsals which led to a successful two night run that was applauded by many. A cast of approximately 31, along with technical director Joe Moth, stage manager Jim Dewall, and musical director Bill Miller and his pit orchestra, joined together to put on a good high school production that every participant enjoyed.

One difference from year's past was a large amount of outside help hired by the director to construct the set, paint scenery, and do various other projects.

The cast, and especially the Senior's of the production, hope you enjoyed this show as well as the ones in the past. Congratulations and good luck in future productions are well deserved comments.

The Varsity football team showed a lot of desire and hustle but was unable to put it all together this year. The team cannot be judged by its record alone because of 2 reasons: injuries which affected them throughout the year and the fact that there was only eight seniors, meant some inexperienced juniors had to play. However it did give next year a bright outlook because most of the juniors received a lot of game experience.

The team as a whole should be complimented for their hard work and good sportsmanship. They represented P.H.S. very well.

The Frosh-Soph football team had a frustrating but fun year. The gridgers showed a lot of enthusiasm and ended with an overall season record of 2 wins and 7 losses, and a conference record of 1 win and 6 losses. We hope that the Frosh-Soph program can provide a learning experience which will carry on for the players' years of varsity eligibility.

DINALS INDIANS MARCOS MOURAS

The 1982-83 Varsity volleyball team had a successful season. The team consisted of 4 seniors, who had a lot of experience, and 4 very skillful juniors. The girls played well both offensively and defensively under the coaching of Deb Schroeder. She said the girls performed well and improved progressively through the season. Their conference record was 6-8.

In tournament action, the Pecnetters did very well. They placed 2nd in the Rockford Lutheran Tournament, and also placed 2nd in the Lena-Winslow Tournament. The girls ended the season with a .500 series.

# Displays Effort

The frosh-soph volleyball team, coached by Deb Schroeder, had a very rewarding season. They ended with an overall record of 7 wins and 9 losses. Their conference record was 6 wins and 8 losses. The team consisted of 17 hard working individuals that made the team big and very strong. They are to be congratulated on a fine season.

Front row (l to r) Robert Ryan, Jeff Eckburg, Mike Knoup, Bill Fernstaedt, Tim Gipe, Svein Gronseth, Art Kielty, Jeff Babcox. Back row (l to r) Joe Daly, manager, Gordon Kloster, Todd Bauch, Curt Clark, Steve Hettmann, Randy Book, Bob Lizer, and Coach Larry Schnorr.

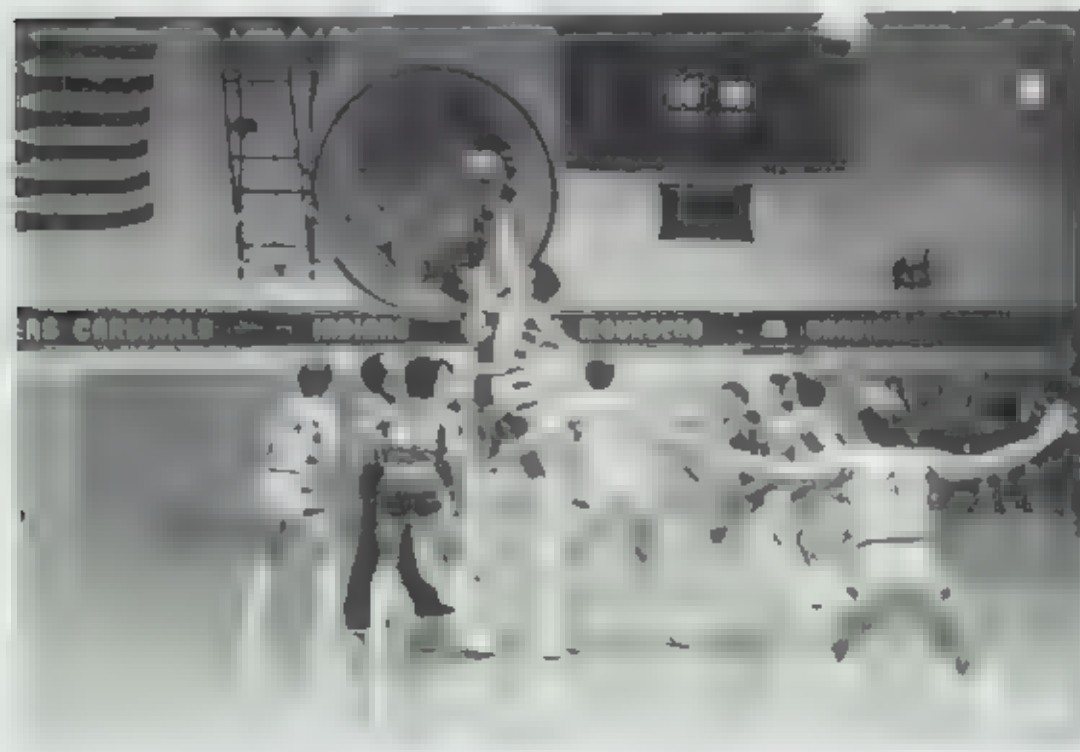

As Coach Larry Schnorr entered his second season as head of the basketball program, he was very optimistic about the team's chances. Many recall him counting on a large percentage of the offensive attack to come from third year varsity starter Bob Lizer, but also new and exciting things from Curt Clark, Randy Book, Art Kielty, and Jeff Babcox as well as the rest of the seniors and members on the team. He knew as well as the team members, that the squad could be competitive with the rest of the mid-northern conference, but wasn't sure when the time would come.

It did come, but not until the end of the regular season. The Indians remained competitive throughout the year, but were unable to win ball games in the early going.

Although, few breaks were given to the squad this year, they can, as always, be proud of representing the school, respecting sportsmanship, and most of all, enjoying the game of basketball. After all isn't that what it's really about?

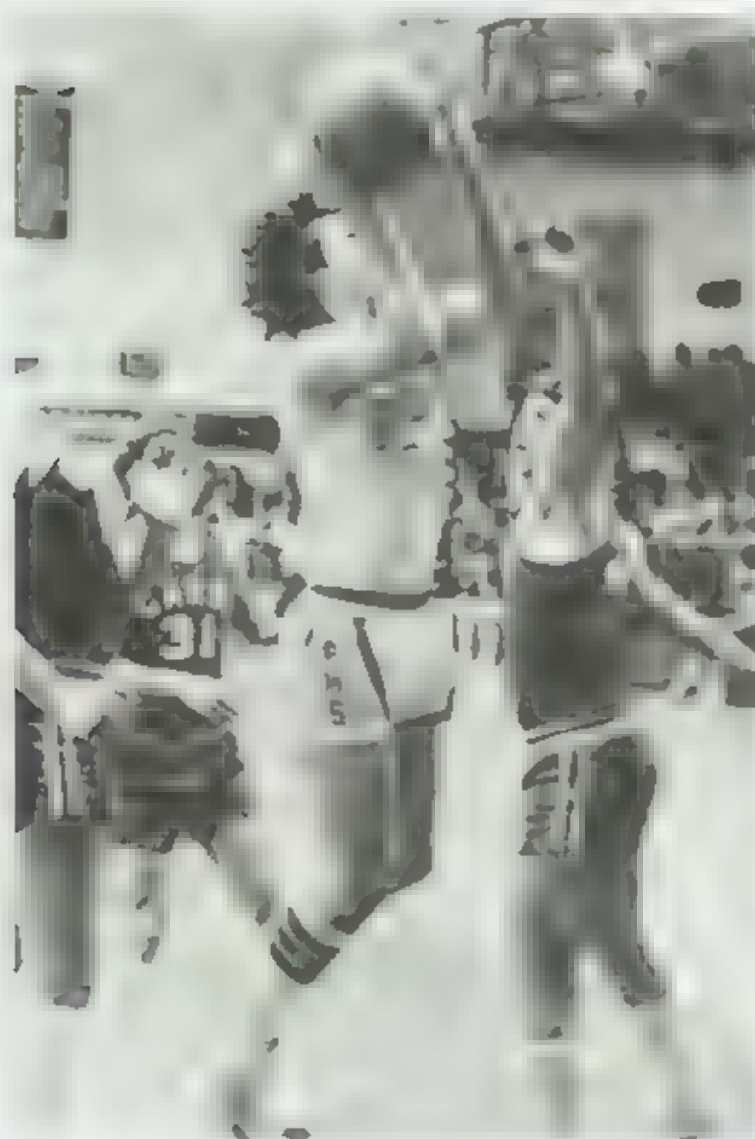

# A Learning Process

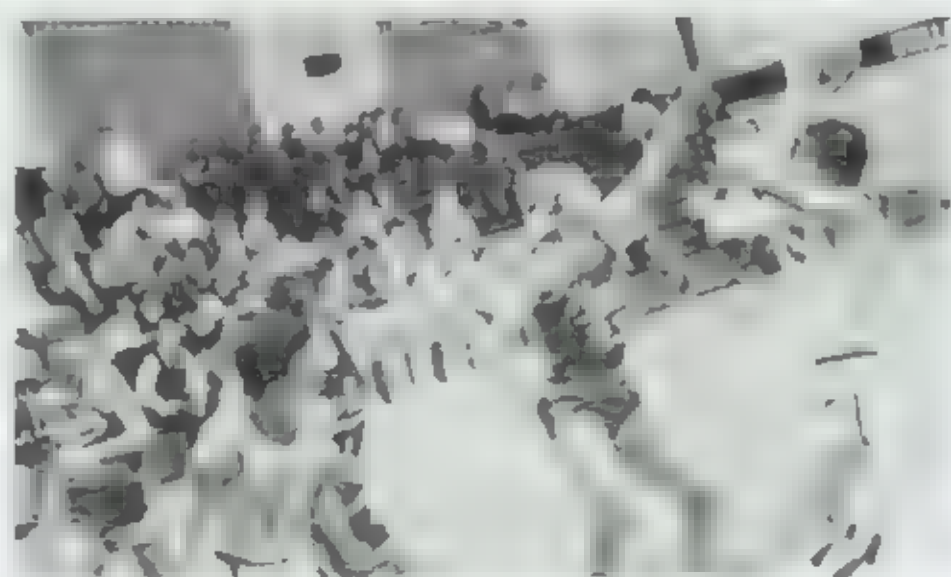

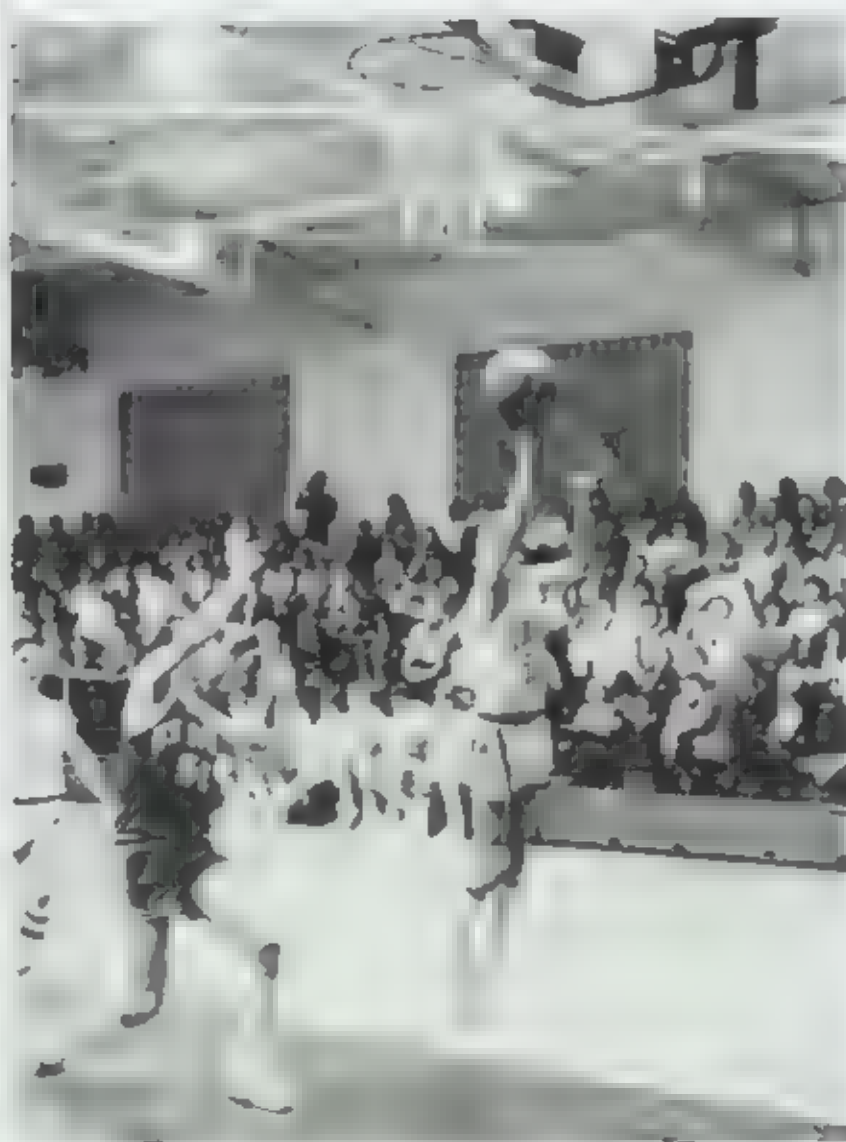

Front Row L to R — Greg Pruitt, Ross Kendall, Scott Bean, Mike Dirksen, Tom Schacht, Doug Seaton. Back Row — John Kielback, Chris Seaton, Brent Smith, Roger Greene, Steve Smith, David Workinger, Coach Russ Harker.

The frosh-soph basketball team was one of many surprises this year, and carried on the learning process necessary to educate younger players for their varsity years of eligibility. Although their record was nothing to brag about, they did defeat some conference foes and had some surprising scoring from Scott Bean and Ross Kendall as well as the other starters. Definite improvement was seen from the beginning to the end of the year. Let's hope years ahead will bring conference champs and some tournament plaques to Pecatonica.

## Varsity Girls' Basketball

Although this season's win-loss record was disappointing (1-19 overall), the girls' varsity basketball team had an exciting season, culminating in their four-point loss to Durand in the regionals. The team was strong defensively due to aggressive play and the rebounding strength of Janet Wiegert and Xan Milne. However, the offensive hoop eluded Pec time after time, in spite of the often successful efforts of Chris Bauch and Amy Ferling. Four-year veteran Carla Rockey and junior guards DeLayne Hungness and Chris Bauch rattled their opponents with quick steals. Debbie Daly, new to the squad this year, added depth to the team in all departments. Terrie Dirksen's and Angie Bean's "never-give-up" spirit rounded out the team. These girls are to be commended for their desire and determination.

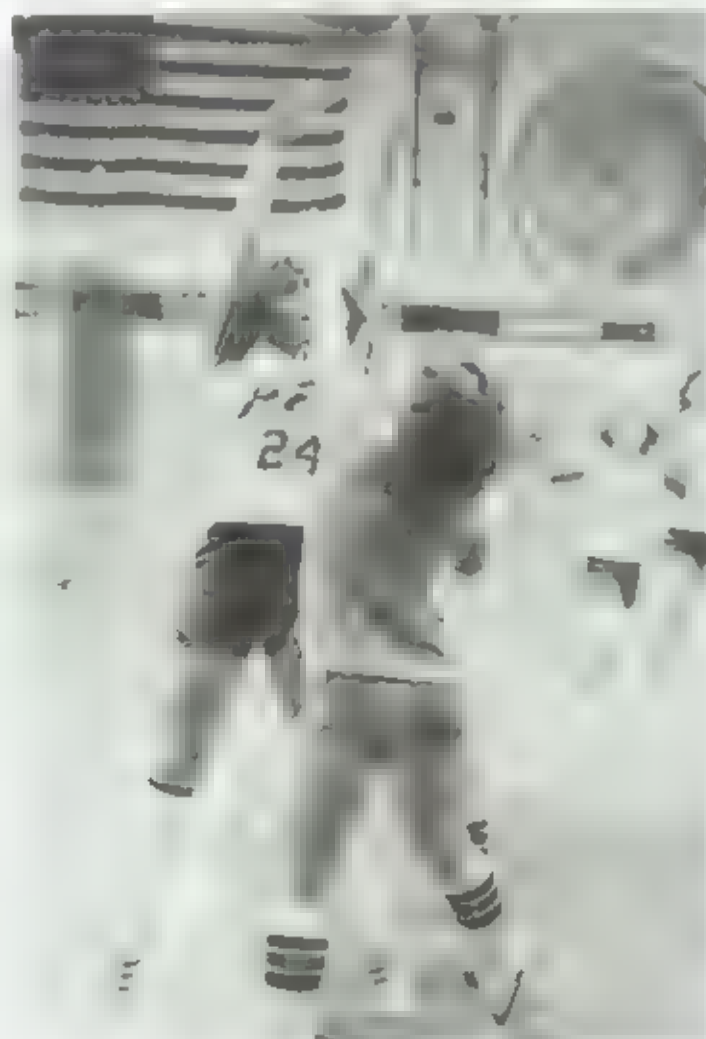

The 1983-1984 girls basketball team worked diligently, but didn't have a lot of success. The team was comprised of 5 seniors and 4 juniors. The juniors and seniors worked equally well for the team's scoring and rebounding strength. The seniors had some needed experience that benefited the team while this year's juniors gained a lot of valuable varsity experience and will become the foundation of a strong 1984-1985 varsity team. The girls were coached by Gary Nuernburger.

# Boys Track

The 1984 boys track team consisted of twelve very energetic individuals from various grade levels 9-12. With so few boys out this year it was difficult to compete teamwise, but there were many individual fine performances and personal records set.

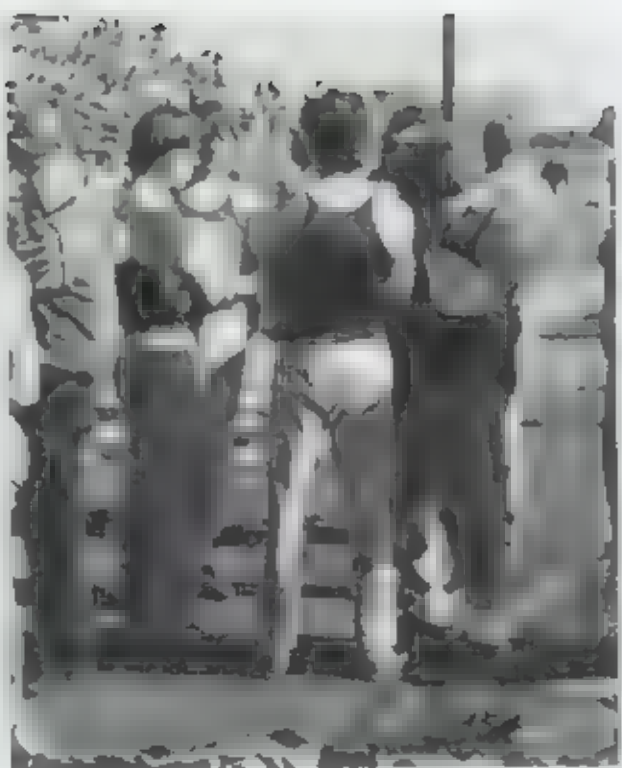

Leading scorers for the season were Mike Cramp and Jeff Babcox with other fine performances coming from Tim Gipe. Mike placed fourth in the conference in the 1600 meter and 800 meter run, Jeff placed fifth in the 100 meter dash, and Tim placed fourth in the long jump.

Although a small turnout this season, the coming years look brighter with the talk of a possible track built at Pecatonica and a fine group of young athletes coming from the grade school.

Even though the Girls Track team had only eight energetic participants, there was a great amount of enjoyment gained. The team played with injuries all season but still managed to accomplish their main goals; (1) to try their hardest and (2) have a good time.

All of the girls attained their personal best with Terri Cambier winning fifth in the conference in the 100 meter low hurdles and Meredith Allen making it to the finals at the sectional track meet in the Discus throw.

# 34 Years Of Service

After 34 years of dedicated service to this school district, John Lagerstam has finally retired from his position as custodian of the Pecatonica High School. Johnny, as he was known by the faculty and students, was the utility man who could fix or at least try to mend anything. His constant good humor and pleasantness made him an easy person to work with and enjoyable to have around. He was a jack-of-all trades who saw this district grow from a small farm community into a well established town. He also witnessed the great growth of the school system, which he played a large part in.

His contributions to the school are innumerable and he will certainly be missed. As a small token of our appreciation the yearbook staff has dedicated this 1984 yearbook to him. Thank you Johnny for all your time and effort

325 JOHN STREET, PECATONICA, IL 61063

A DIVISION OF IPSEN INDUSTRIES, INC. AN ALCO STANDARD COMPANY

Ipsen Ceramics was formed in 1952 to produce specialized refractory ceramic tubes for use in steel heat treating furnaces.

At that time the company existed as a department of Ipsenlab of Rockford, located on Kishwaukee Street in Rockford. In January, 1957 Ipsen Ceramics was incorporated as a separate corporation and in the spring of that year construction was started on a new facility located on John Street in Pecatonica. The employment totaled 10 persons when the new building was occupied in August.

In June, 1966, two Ipsen companies in Cherry valley, Illinois and the Ipsen Company in Pecatonica were acquired by Alco Standard Corporation Valley Forge, Pennsylvania, and Ipsen Ceramics became a part of that corporation.

Penny,

Well penny, we ~~have~~ had quite a lot of good times at school  
huh-ya well know its all over know so I'de have to make up  
some other kind of fun - But we did have good times like  
in Marcums room getting bitched out every other day same  
with spoof - getting filled at all the times and then the time  
~~we~~ we got attention from butway number - and then you getting  
another for going home with me & Decker. & then gym class well what  
was really something else huh! then there was Shofhand trying - my  
damndest to past & if it it would get you letting me cheat & probably  
would not have.

Well pen. I'm really sorry for you not enjoying yourself at  
the park - (remember) - (Fair) but thank for making the best of it for my  
sake. I hope someday. I'll have to wait around for you just as you did  
for me - okay. If there's anything I can do for you. Be sure & let me Phil  
know cause I would do anything for a friend like you - Tay. But when Phil  
comes back me & you & Phil & Gammmy will have to do something together  
with him paying to make up for the Park incident okay. Okay.

Well penny. I really don't know what else to say just  
stay as sweet as you are & don't ever change - and then  
when me & Phil get married you can come visit us in  
Indiania - Ha Ha -
